

March 10, 2003 Single Track Mind Cycling Club Board Meeting Minutes

Present: Mike Curley, Jim Grill, Rick Russell, Ralph Loewen, Pat Sprouse

Club Picnic date is set for August 2. Location to be determined.

STM will provide a theft warning sign to be hung at the Victor Falls parking area. Rick will design, produce it and submit his costs to be reimbursed.

Mike will lead a new members ride on April 12 and will call new members to participate.

Where are the club T-shirts? STM wants to know if more are needed.

Thank you to all those who participated in the Green Mountain work party including major trail repairs. It gave us 36 hours toward the 200 needed for Poker Run.

It was MVP that STM will provide up to \$10 per person to provide food for the monthly club sanctioned work parties. All work parties must be OK'd by Ralph Loewen, Trail Maintenance Coordinator. (253-735-0819).

It was MVP that STM donate \$200 from the Trail Fund for sponsorship of the Forest Service Training Camp on May 19-23. Mike, Pat Saludo and Ralph are participating. STM is covering costs for Ralph and any others that would like to participate.

Poker Run: Remember it is earlier this year so we are pushing up deadlines for sponsorships and publicity. Jim submitted a list of potential donors and sponsors for Poker Run. If anyone has suggestions for sponsors please submit them to Jim before contacting the sponsor. He needs a logo for the flyer, address and email. Jim will make sure STM insurance covers the \$1 million required by DNR for Poker Run. Jim will design the flyer. He will contact IMBA for other regional clubs to send flyer to. Joe Wetmore will print it.

Pat will be the Bike Shop Liason. Please let her know which shop you regularly go to and are willing to give info, hand out flyers, solicit donations, etc. If they want to be on the Poker Run flyer, Jim needs to know asap and to get the donation and logo.

The 24 Hours of Adrenalin Festival Event is Sunday April 27. Non members can participate. It was MVP that STM provide \$100 for food for the participants. Rick will get prizes and submitted a design for the awards. Those teams that are preregistered get the early starts. Registration will be accepted at the event.

Mike will teach a 3-4 hour first aid clinic in June.

Campouts: the Hood River campout is canceled. Pat added the Winthrop Mountain Bike Festival Oct 3-5. (please contact her soon if you think you might want to go. Space is filling already) If you are leading a campout please contact Joe and Sue Krezelak (253-826-0501).

It was decided to not allow Pro Bike kit .com to have a link on the STM website.

Next meeting: April 14, 7:00 pm at Nifties Fifties in Tacoma.
